Bag Gucci, Shoes Aldo, Fur Bershka, Bandana Urban Outfitters, Jeans American Eagle

The trend initially seen on Thrasher clothing has officially gone viral. What used to be seen at Hot Topic back in the day and skate parks, has made one major return. The fire has caught on to other brands including ASOS, Forever 21, Urban Outfitters and so much more. This trend is everywhere. We are talking dresses, hats, joggers, jean shorts – even chokers! The

popular style is perfect when you want a casual look with some edge, and because it's dominating the fashion world, it's easy to find the piece for you. Not ready to jump in the fire? Start with an accessory with the design to create a more subtle statement. We gathered a bunch of hot looks you can shop right now so you can fuel your own fashion flames.
